# Twisted Plan

by MiaQc

Summary

A short story in which a dark, evil Jasmine devises her twisted plan to become queen of Agrabah.

- A translation of Plan Tordu by MiaQc

To my father, I am nothing more than a commodity to be sold, a daughter to be married off. I am always locked up in the palace, forced to parade myself in front of suitors but not for much longer. I have a plan. Father will die of poisoning, Aladdin will be blamed and when both are eliminated, I will be the queen of Agrabah! I don't believe in love. It's a weakness to chain oneself to a man. Aladdin says he loves me but he wants the throne, the power, that's all. Like Jafar. He's dead but his darkness hasn't left me. This twisted plan is perfect. I can't wait to be on the throne and make the suitors dance like puppets!
